

# Mother Lode Rugby

**Non-Profit Club Sponsorship**

The Mother Lode Rugby Club was established in El Dorado County in 1995. In our 23<sup>rd</sup> year the club draws from seven High Schools including Oak Ridge, Ponderosa, Union Mine and Folsom and the corresponding surrounding Middle and Elementary Schools. Rugby is one of the most exciting contact sports in existence, a perfect mixture of speed and movement of soccer and the physical nature of football. Of our 200 plus players our club sponsors approximately 15% allowing them to participate and benefit from being exposed to Rugby's values; Teamwork, Sportsmanship, Respect, Compassion, Camaraderie, and Enjoyment. Your support will help us offer a higher quality experience for all our athletes.

We sincerely thank you for your Donation!
