14. Pay attention and sign all waivers. If the player is 18years old or older, they may have to sign the waivers.

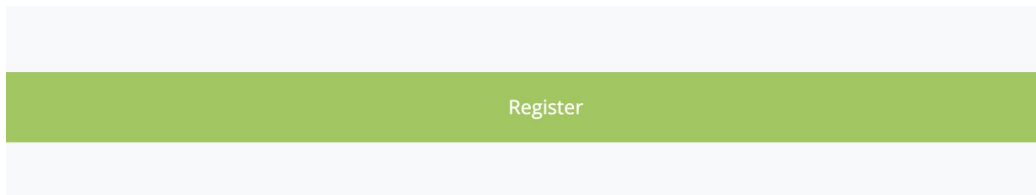

USAR COVID-19 Release

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact, but the virus can also live on surfaces. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people and the engagement in contact activities such as sport. Individual states and communities are making decisions as to what they believe the appropriate level of personal interaction in their jurisdiction should be in accordance with the local health guidelines. USA Rugby directs all potential players, participants, officials and spectators to follow the advice, regulations and rules associated with their individual locales rules and regulations. Rugby matches, trainings and events held which violate these local rules and regulations will be deemed to be unsanctioned events and thus prohibited gatherings for USA Rugby insurance and certification purposes.

At sanctioned events, USA Rugby ("USAR") has directed that preventative measures to reduce the spread of COVID-19 be put into place; however, USAR cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending USAR sanctioned events could increase your risk and your child(ren)'s risk of contracting COVID-19. By checking the acknowledgement below you are in agreement with the following statement:

≫ More ≫

I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) _____ osed to or infected by COVID-19 by attending USAR sanctioned matches, trainings or events
